Same as you protect your valuable camera by putting it into an everready case, your filters, Focar lenses and lens hood should be protected too. There are practical small leather cases available which can be fitted to the carrying-strap of the everready case. Your indispensable accessories are then always instantly at hand.

Subject to Alterations  
Printed in Germany W 3354 — E 0/1255

For Vitessa accessories the case will be slightly different (Order No. 90 094)
